

PRESS RELEASE

Sydney, 14 March 2005.

Exclusive Logistics Solutions is delighted to announce the appointment of Mrs. Charlotte Cox as National Sales Manager of Exclusive Logistics Solutions in Australia with immediate effect.

A 17-year veteran in the industry, with certified qualifications in business management, Charlotte has plied her trade in both the Danish and Australian markets. She is highly experienced with a thorough background covering all aspects of international logistics management. From her early years in the fulfillment industry through an apprentice-scholarship program in Denmark, to the development and implementation of sales systems and processes, and more latterly the management of business development for a multi-national freight forwarder, she is ably qualified to take on the opportunities a highly specialized niche logistics company presents.

"You have a choice in life. You can either dissolve into the mainstream or you can be distinct. To be distinct, I believe in being different," says Charlotte. "I recognize that each client has a unique set of needs. I thrive on finding solutions and believe in communication and honesty above all else. I look forward to making a difference!"

Charlotte will be based in Sydney, but will assume overall responsibility for Perth, Melbourne, Brisbane and Adelaide as well.
